## Regulatory fees and levies 2024/25

### Fee-blocks A019 and I017

<b>FCA</b>	<b>Tariff base</b>	<b>Annual income - general insurance distribution</b>
<b>FOS</b>	<b>Tariff base</b>	<b>Relevant annual income – general insurance distribution</b>
<b>FCA/FOS</b>	<b>Valuation date</b>	<b>For financial year ended in the calendar year ending 31 December 2023</b>

We need fees and levies information to calculate your fees for the Financial Conduct Authority (FCA), Financial Guidance Levy (FGL) and the Financial Ombudsman Service (FOS). We provide separate guidance for data relevant to the [FSCS levies](#).

This guidance sheet provides details on the data to include within the firm's fee tariff data submission. We have given links to relevant parts of our Handbook to help you complete the form correctly. This sheet covers the following fee-blocks:

- **FCA fee-block A019**
- **FOS industry block I017**

For more information on this fee block, including which regulated activities place firms into fee-blocks, please refer to the fees manual [\(FEES\)](#).

Each year we consult on any proposed fee policy changes and fee tariff bases may be subject to change. So before submitting the fee tariff data, you should also refer to the [latest publications](#) about fees on our website. These explain any proposed changes to the tariff data you must report, and the expected date when any changes will be implemented.

For FSCS guidance, publication and further information on fees and levies, visit our [fees webpages](#).

#### Notes:

Your firm is allocated to FSCS class 1 category 1, general insurance distribution (CLGID-1), which replaced FSCS class SB02. The levy for this category continues to be based on annual eligible income, but with a change to reporting pure protection business. See the guidance for [FSCS category CLGID-1](#).

## FEES AND LEVIES 2024/25 – REQUEST FOR FEE-TARIFF DATA

### FCA fee-block: A019 – general insurance distribution

**Tariff base: annual income for your financial year ended in 2023.**

Annual income for all relevant fee-blocks is defined in [FEES 4 Annex 11AR](#); please see items (g) to (i) for specific definitions to calculate annual income for fee-block A.19. Guidance is set out in [FEES 4 Annex 13G](#).

### FOS industry block I017: general insurance distribution

**Tariff base: relevant annual income for your financial year ended in 2023**

The FOS levy is based on business done with consumers and which is subject to the jurisdiction of the Financial Ombudsman Service (see [DISP 2.3](#)). Firms should only include income in relation to consumers. If the firm's entire insurance distribution business is carried on with consumers, then the data you report here will be the same as that reported under fee-block A.19.

If the firm has a valid FOS exemption no data is required.

**Firms registered for online invoicing must submit the data online; any completed paper forms should be emailed to [feetariffreturns@fca.org.uk](mailto:feetariffreturns@fca.org.uk) before the date shown on the front of your fee tariff data letter.**
